EXPERIENCE

Portfolio App

My Portfolio, showcasing my skills and projects.

E-commerce Website

A clone of one of my favorite brands. E-commerce website for vintage clothes with the ability to add to shopping cart. This website was constructed with React Js and React Router.

Notes App Location — *Job Title*

App to take notes, remove and edit notes.

Weather Web App (API)

A weather forecast app, showing current weather and the next five days. The app utilizes Weather API and GEO API for the cities data. I also implemented async pagination for a better user experience with city suggestions.

EDUCATION

School Name, Location — *Degree*

MONTH 20XX - MONTH 20XX
